The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life.

It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

A Shiva lingam is an aniconic representation of Lord Shiva. Hindus worship Lord Shiva mostly in the form of a Shiva lingam, but its meaning has been one of the most debated topics. There are mainly two groups; one believes it is a sexual organ and others believe it is not. They both give many different arguments in the support of their perspective. With the advent of science and technology, one more group has emerged which strongly believes that there is some sort of science behind the concept of Shiva Lingam. But what are the reasons behind this confusion? 1. There are some stories in the Hindu scriptures that depict it as a sexual organ while some stories say it is a column of fire. 2. Many different meanings of the words linga and yoni. 3. Ancient pillar/phallus worship. 4. Different practices of different Hindu sects. 5. The shape of a Shiva lingam. In February 2010, the encyclopedia Britannica removed a sentence about Shiva lingam from its article. " In temples and private shrines, Shiva is ... worshipped in the form of the lingam, or phallus, often embedded in the yoni, the symbol of the female sexual organ. " It is believed that it did so because of the pressure of Netizens, but I doubt that a website like Britannica would do so unless there is some valid reason behind it. When we talk about religion, the scriptures are of utmost importance. Therefore, in this book, I have sought refuge mainly in scriptures to determine what exactly a Shiva Lingam is, but I have also considered other things like archaeological evidence, logic, history, science, etc. I am sure that this book would not only answer what a Shiva lingam really is but also you would

learn many new things about Hinduism.

The followers of the Aghora path try to cultivate a
state of mind and social practice totally non-
discriminatory. Seeing the Divine in everything and
everybody, they transcend all category
distinctions, all prescriptions and proscriptions of
the normal social structures such as high and low,
purity and pollution, pure and impure, or male and
female. In the 20th century, Aghoreshwar
Mahaprabhu Baba Bhagwan Ram (1937-1992) was
the greatest avadhut in the Aghora tradition.
He attained enlightenment at the age of fourteen or
fifteen. People felt that Baba truly loved everyone
who went to him. Hundreds of thousands of
devotees, simple villagers, spiritual seekers and
high dignitaries would flock around him. Baba's
teachings were imparted more through everyday
conversations rather than through sermons. On his
advice, his words were compiled into a book. This
was written in Aghor Vachan Shastram in Hindi and
this book, its English translation.
