## Certified Autopilots - Sarasota Avionics

Autopilot on ground. This feature is not available right now. Please try again later.

**[www.csobeech.com](http://www.csobeech.com)**

The Century I may also be used as an all-

electric safety backup autopilot to the Century IIB, III, or IV vacuum/electric systems, sharing the same roll servo.

Unlike many competitive systems, the custom-manufactured cable harness is included to reduce installation time and expense.

• BT - Century  
IIB Installation  
Manual  
piperarcher,  
according to the  
manual, Century  
IIB is limited to  
30 ° bank angle  
when manually  
controlled, or  
20 ° when in  
HDG mode.  
Installing a  
different

autopilot is likely  
to involve a  
design approval,  
which usually  
commands a five-  
figure price  
(unless, of  
course, it has  
already been  
installed on the  
given type in the  
EU).

Century IIB  
Autopilot  
installation  
manual

I have a Bonanza  
that at one time  
had a Century IIB  
Installed in it and  
I still have the  
STC in my paper  
work. My  
question is does  
anyone know  
where I could  
find an  
installation  
manual to  
properly reinstall  
a used unit.
