### Frontiers Of Capital Ethnographic Reflections On The New ...

Frontiers of Capital. brings together ethnographies exploring how cultural practices and social relations have been altered by the radical economic and technological innovations of the New Economy. The contributors, most of whom are anthropologists, investigate changes in the practices and interactions of futures traders, Chinese entrepreneurs, residents of French housing projects, women working on Wall Street, cable television programmers, and others.

*Duke University Press - Frontiers of Capital*

"Frontiers of Capital is a synthetic state-of-the-art account of anthropology's contribution to thinking about

the current economic moment. The essays are-without exception-brilliant ethnographic excursions into the terrain of what the editors call the 'New Economy.'
