Heal Your Own Pre-Birth Trauma Createspace Independent Publishing Platform

Sometimes a child's first experience with heartache is caused by the two people that created them. Unfortunately, not all children are blessed with parents who are excited about their entrance into the world. Some children are made to feel as though they are burdens or results of a bad decision that a parent has made, causing the parents to disconnect from the child emotionally. Rejected from the Womb, Accepted by God was written to empower people who battle with rejection, insecurity, fear, lack of confidence, and powerlessness caused by the lack of affection received from their birth parents. This book is for you if:• You were raised by other family members because your birth parents didn't have the capacity to care or provide for you• You grew up not knowing one or both of your biological parents and it affected you self-esteem• You've questioned God about your childhood because you felt unloved• You haven't figured out how to heal from the pain of your childhood. After

reading this book, you'll be able to heal your wounds, forgive your parents, and strengthen your relationship with God. You'll no longer wonder why you were rejected by your parents, but will focus on the beauty of being accepted by God.

The Truth iUniverse

The Beauty in the Womb-Man is a self-revealing work that turns the light on and shows you that you have valuable things to say, outstanding words to share, and eternal wisdom to give! Having obtained a degree in Christian Counseling, Dr. Carroll embarked upon her own personal journey of self-awareness, self-enhancement, self-enlightenment and self-empowerment. Through the years she has passed on this baton of power to women as she's traveled the world over. Make no mistake about it...you are included in this self-realization and this reality will become clearer to you as you turn through the pages of this soul-searching work!

Womb Conversation AuthorHouse

She is Beautiful recaptures the very essence of true beauty through the eyes of a loving God. It addresses the struggles women of color have in today's society as they seek the confidence and boldness to be authentic and appreciative of their cultural differences. The author points them back to their Creator and reminds them of His loving intent for their good. This small but potent book is perfect for recalibrating your view of self through the eyes of a God who affectionately calls us His beloved. The author states, "The Beauty of a woman can be described in Adam's examination of Eve, "And Adam said, this is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man." (Genesis 5:23 KJV). What Adam saw looking back at him was so intimate and personal; he describes her as bone of my bone flesh of my flesh. I believe in that moment he saw more than just her outward beauty; Adam saw the essence of who Eve was. Adam saw her worth at first glance, and the fact she was made for him. That she..... woman was a priceless jewel, he saw her fullness. Here she stood the mother

of all creation a great and marvelous mystery. Through this creature man would be born. Throughout time she would fulfill her role in creation becoming the help meet God intended for Adam. In Unity, they would rule with dominion and power over this world. Staring back at him, Adam saw something so deep and profound; this beautiful Eve could become a birthing station for all the Kingdom of God. As we take this journey together I want us to understand as women we were created for a very specific reason. viii In your DNA lies the ability to create, not only from a natural standpoint of bringing life into this world but we also have a spiritual womb which nurtures the things and ideas of God to help bring forth the Kingdom of God. Within you, you can birth nations all for the glory of God. You possess the tenacity to travail and bring the very will of God into fruition. It is time for us to rise and understand this beautiful mystery, the mystery of her beauty!" You are beautiful to God, He intended it to be that way!

Heal And Transform Womb Trauma The Beauty in the Womb-Man

Modern-day life and our highly stressed, risk-averse society has led to a medicalised, fearful model of childbirth, one that has stripped the process of its wondrous magic. In this groundbreaking book, consultant obstetrician Dr Amali Lokugamage discusses ways in which every woman can aim to give birth in the most natural, supportive way possible, and looks at the wider implications for society at large. This is an exploration into the roots of human love and social cohesion. The Beauty of Holiness and the Holiness of Beauty Mommy Takes It All From the very moment of my consciousness beginning stages of teething .. I found out whom I was, what I'd been before, & most importantly just whom I was soon to become! For years I'd longed for consistent & stable relationships. Whether it was seeking the attention I'd always wished for from my dad. Or the beauty that I'd always seen in the greatest creation known to man... Woman! Yes I've always been a lover's boy with a heart of tender, loving, care. My mom told me one day "always treat a woman the way you'd want your mama to be treated!" This is blueprint to my life. But quickly it became the destruction before my eye's.. From the way the I embraced the beautiful Mother Nature, the photosynthesis of & into life, the experiences, the oppression, spirituality, love, conditions that alter us. All these things make up of something that only you could self reflect. I looked at this opportunity of life as I did embracing the GEMS within a woman! Indeed I came from you & so did all things that has birth of life. While my photosynthesis may have been a bit different, grown a bit wilder with thorns with lack of knowing how to tend to the garden of life. This is

called growing pains! One of which I've felt hard pressed from all sides! I have a saying that "the abused, in turn becomes the abuser!" Well if that's the case then I guess I have succumbed to the accuser! From panged outcries of the fetus in the womb, to the being that lived in bodily form to be doomed! I was oppressed, & to have caused pressure. All in all I simply wanted to make love to this thing called life. This was my reason of why, without even knowing the repercussions & consequences that would follow behind. Good thing my dad told me that "a mistake is no longer a mistake once you correct it." Each life lived is a book to be written, all we have to do is open it & there lies the answers. Within mine I found "The Book of GEMS" ..

Rejected from the Womb, Accepted by God Forgotten Books

Echoing back to a time when prose was poetic and romance meant the passion of dreamers as well as lovers, Dreams in the Womb explores the wanton-romantic heart of prose-poet Brandon Gene Petit in an eclectic collection of prose and verse. While not without an occasional well-dosed touch of darkness, the images and themes in Dreams are, as a whole, decidedly elegant and tasteful in a way that aims to allure and dazzle the reader. The poems are designed to be musically fluid, the quotes boast great meaning in all their brevity, and the numerous segments of descriptive prose tend to play out like miniature stories or erotic vignettes. Dreamers and seekers of beauty can escape the mundane light of day and drench themselves in dense verbiage as dark and thick as crimson wine, ultimately revisiting the ornate and redolent eras of Joyce, Dunsany and Poe.

Maiden, Wife and Mother WestBow Press

Varied are the reasons that can inspire someone to write about their mother; a relationship that has been, since time immemorial, a matter of profound reflection for many a writer. This book of poetry successfully combines real-life experiences with the notion of eternity, creating a beauty that both transcends the commonplace and settles in the soul of whoever chooses to read it. Thus, verse after verse, the reader is swept up by the intimacy that springs from each thought, each tiny detail, to recognize those feelings that reach beyond the pages where they are written. Reader and verse share a bond that goes right to the heart of each, since we too share in that deep contemplation of what the word 'mother' really means.

The Beauty of Mary First Books

Olivia was a beautiful Latina and mother of two. She lived in the hills in Southern California, and was married to a heart surgeon. Life was good. It wasn't always so. She knew hard times. Olivia had gotten pregnant while she was in high school, and now, at 35, was the proud mother of a handsome 19 year old son, and a lovely 18 year old daughter. Things happen in mysterious ways sometimes. Olivia had never really been a shy woman, and had no problem embracing her own beauty. Her son Spencer, made sure she knew how she looked. Things became blurry. Life turned upside-down literally overnight. Perception becomes everything, and desires become reality. Olivia learns more about her son, daughter, and more in the course of a day. This is going to get interesting. Michelle Tran delivers a steamy and Taboo tale with explicit detail and sensuality we've come to expect from her. Look for more upcoming books in this series, as we explore Olivia inside and out. Warning: The subject matter in this book is intended for mature adults and is of a taboo nature. Sexual situations such as oral, threesomes, lesbian, anal play, cum play, and naughty behavior is common in this book. Be advised, erotica and family romance meant for adults only.

Hello, Beauty Full Trafford Publishing

Instead of hiding my imperfections, I realized that sharing my shortcomings with others helped me feel that I was not alone. Each and every individual flaw showed uniqueness. I recognized having flaws does not stop the favor of GOD on our lives. As a matter of fact, the word tells us GOD created us in the womb, and it also informs us he knows the hairs on our head, our strengths, weaknesses, and yes, our flaws. He knew our destiny before our deficiencies or imperfections, and he didn't change his mind concerning us. Sometimes we focus more on the flaws than the good qualities, which can be a

distraction that leads to destruction. In this book, you will hear testimonies of how these strong women overcame their imperfections, and they realized that God still granted them favor. And after all the flaws, it worked on their behalf.

Baby Born Createspace Independent Publishing Platform

Are you believing the great lie that God does not, maybe even could not, love you? The real you? Women struggle under the ongoing weight of "not-enough-ness." Not attractive enough. Not smart enough. Not fit enough. Not creative enough. Not good enough. Not sexy enough. Not strong enough. Not whole enough. Not womanly enough. And therefore, not beautiful. We are broken and ashamed to be so. In our eyes, brokenness makes us unlovable and unusable. But in his Word, God is clear that he sees us the way we already are in Christ: deeply loved and abundantly influential. Yet we hang back, believing instead the toxic not-enough labels. Hello, Beauty Full explodes the shame-based mythology of our "not-enough-ness." Instead of believing the hiss of the enemy, women are encouraged to see their beauty the way God does. Chapters include: Voice Lessons: Beauty in Your Unique Personality Valuable Vessels: Beauty in Your Physical Body A Womb of Your Own: Beauty in Your Creative Purpose Scar Stories: Beauty in Your Painful Story Have Your Sway: Beauty in Your Influential Legacy Challenged to not settle for emptiness when Jesus came to give life to the full, women will find the freedom they need to accept their identities when they not only hear but embrace God's heavenly message: "Hello, Beauty Full!"

Kujichagulia Press

The Darkest Womb Simon and Schuster

This book is a unique meditation on the beauty of Christ and His saints and centers on several works of art by Fra Angelico. Saward has written a book not on art history but on the splendor of Catholic truth. Beauty is the splendor of truth.

The Book of Gems

For What Reflects On Waters That Have Been Calm For Quite Some Time Unfolds The Image That Resembles What Time Has Spoken... "Is It Not That The Air Dries Us When Having Patience For It Is When By Seeing Each Drop Disappear Into The Air With A Gentle Goodbye Telling Us That There Is Much To Know About This Life You See In Front Of You With Each Blink You Cause To Come Into Existence By The Sort Of A Suggestion Towards An Assurance If One Is Heading Down The Right Path" "This Sight You See Glimmering Ahead Of You Is A Course For A Future You May Have When Taking A Certain Step That Seems A Bit Groggy From Not Knowing What Is To Be Of You When Not Knowing Much About Your Own Self Furthermore To Care For Your Child That Deserves Your Full Impeccable Attention So Simply Explained By Knowing What Keeps Us Always Happy Which Comes From Having Peace In Our Hearts" "The Time For Being A Mother Should Be When Being Able To Cry With Immense Happiness Of What Has Occurred In Ones Life For The Tears Fall Slowly Through Your Heart To Reach The Womb As How The Beauty Of Water Is Refreshing To Us All Thus Creating A Shield Around This Amazing Life That Comes From Your Being"

Wonders of the Womb

"No human language possesses adequate words to describe what it feels like to watch as life slowly leaves your newborn baby. I have never felt so palpably and sickeningly helpless in my entire life. I was strong like wet tissue paper is strong. The moment felt like a horrible dream . . . except this bad dream was my reality." How can a good God let babies die? Does He really have my best in mind? Will He ever heal my broken heart? The Bible tells us that God is good and that everything He does is good. But what about when the pain of this life bristles against that definition of God's undeniable goodness? It is in those times when the deepest questions of our souls emerge. After learning that her unborn daughter would not be able to survive outside of the womb, author Sarah Rieke was pressed face-to-face with these difficult questions. Three years later, following the fatal diagnosis for her unborn son, Sarah was once again

forced to reconcile God's goodness against the brokenness of the world. Even Broken Can Be Beautiful is the story of the author's own personal journey to find purpose in the most difficult, confusing, heart-breaking moments of life. It is the story of learning to lean hard on the God who can bring good from even the most despairing situations, an honest story of deep pain redeemed by the beauty of the cross of Christ. In this book, you, too, will uncover the sacred truth that because of Christ, even our most deeply broken places can be made beautiful.
